24 hour Healing and Prayer chain for Kenya, no. 2

29th Sept. 2008

There is a lot of Love out there

Dear Friends of Kenya,

And dear Lovers of Peace,

It is once again with deep gratitude and immense joy that I write this newsletter, gratitude for your wonderful support, and joy to know that there are so many of us who have love for Kenya and for peace.

It is said that when your intention is for the betterment of mankind, in keeping with the Divine will of God, the whole Universe supports you! And so it was with our 24 hour healing and prayer chain. We were joined by even more people than last time from all over the world: USA, UK, India, Switzerland, Israel, Tanzania, Dubai, even Iceland, and of course Kenya. Altogether they numbered more than 600! The youngest was 7 years old and the oldest 79 years! Some gave 5 minutes of their time, others 10, 20, 30 minutes, while still others gave 1 hour, 2 hours and more!!

Like last time, we were joined by the Kayaba West Fellowship Church, the Sai Dham Temple, and the members of The 'Jai Bhagwan' Group. all of whom dedicated their evening time of worship to our cause. This time the members of the Sindhi Community and the members of the Oshwal school of Jainism under Mayuri Shah joined their prayers to our chain. And that is not all. We even had the ladies wings of various clubs participate: The Premier Club Ladies wing, The Vanita Vihar of Brahm Sabha, The Oshwal Ladies group, and the Lohana Ladies wing. Mercy Musomi, the founder of Girl Child Network also supported us, as did the nurses of Nairobi Women's Hospital, the M P Shah and The Aga Khan Hospitals .

Below is a list of all those that showed their Love for Kenya and its people by sending healing energy and praying:

The Lotus Healing Seva Group thanks one and all. While every ones contribution is equally valuable God accepts every ones heartfelt prayer the following deserve special mention:

Pranav Acharya and Shahin: the youngest contributors, only 7 years old, followed by Anoushka Kassam, 9 years old, Romit 11 years and Karishma Kassam 12 years old.

Bhavna Tailor who contributed 3 hours of Healing and Prayers.

Premier club Ladies wing for the greatest number of individual participants

And a very special thanks to Shamim Allu of Sound Asia who privately and publicly supported our effort.

And what may you ask is the outcome of our efforts? We in Kenya have already started noticing the difference. Much less of gender based violence is being reported in the media since about a week, and the cases in the hospitals too have reduced. As for the rains, we are still hopeful that our prayers will bear fruit and that they will arrive on time in October.

Where do we go from here? We have 2 choices: one, we can congratulate ourselves for a job well done and continue with our lives or two, we can continue to send healing and prayers for all abused and abandoned victims, not only in Kenya, but in the world. For we know this sickness is not typical to Kenya. It is a sickness of our times! And the raped, the abused, the abandoned are the vulnerable citizens of our society. They are defenseless! They need us to help them as do the lost souls who commit violence against others. With this in mind, the Lotus Healing Seva Group will continue healing these intentions during their Thursday meetings. We hope you will find the time in your busy schedules to do the same.

With this I bid you good bye, with the hope that you will join us in our next 24 hour healing prayer chain 3 months later. We all wish to change the world. Let us accomplish that together, one country at a time, one injustice at a time.

God's Love and Light to you,

Kamal Tolia (Founder Member LHSG)
