### ***Project: Make Kenya Your Valentine 2008!! 24 hour Healing Prayer Chain 14<sup>th</sup> and 21<sup>st</sup> Feb 2008***

25th Feb. 2008

Dear Friends of Kenya,

We did it again!!! Thank you for heeding our call to Love Kenya for the second time on 21<sup>st</sup> Feb. 2008! Once again, the 24 hour Healing Prayer Chain was carried out successfully from 6 am Thursday 21st to 6 am Friday 22nd  
Thank you for your commitment to heal our beloved country.

As you will see from the list below, more people took part in this beautiful effort than last time. We were joined internationally by new friends from USA, Switzerland and Canada, together with those who joined last week from UK, USA, India, Australia and Dubai. The energies, prayers and positive thoughts of all were received by our beloved country Kenya for a whole 24 hours, and it is our belief, faith even, that they helped Kenya to heal and move forward towards peace.

The Kayaba West Fellowship Church, The Sai Dham Temples, Nairobi and Mombasa, once again devoted their evening hour of prayer and meditation to this 24 hour healing prayer chain. We also had 22 members of the "Jai Bhagwan" Group do the same. Our heartfelt gratitude to them all!

*So we come to the end of our 24 hour healing prayer chain exercise. We feel good because we have kept our promise to heal Kenya, we have met our commitment! We are confident that our two 24 hour healing prayer chains have made a huge difference to Kenya and her people.*

*Is that all? So what happens now? Do we sit back and relax, believing we have done our best and let God do the rest? Or do we continue to hear Kenya's cry for help and decide we cannot rest yet?*

**We all know what the reality is: much still needs to be done. With this in mind, we the members of the Lotus Healing Seva Group will continue to heal Kenya on a 24hours basis daily. We know you pray too. If you feel you would like to support the group's intentions to heal Kenya, you could do it in one of three ways:**

- 1. Continue praying every Thursday / every day at your chosen time as you did on 14<sup>th</sup> and 21<sup>st</sup> Feb. Just focus on the intentions given by the Lotus Healing Group before you start the prayers or just think that you wish to join the Lotus Healing Group prayers for Kenya**
- 2. Pray at any time of the day for however long you wish. Just focus on the intentions given by the Lotus Healing Group before you start the prayers or just think that you wish to join the Lotus Healing Group prayers for Kenya**
- 3. Or you could combine 1 and 2, praying at any time of the day as well as everyday / Thursday at the chosen time.**

**Whatever you decide, we would love to hear from you. But if you choose not to tell us about it, that is fine too. The important thing is that we work together in the Harambee spirit. Together our prayers will make a difference!**

I am sometimes asked: How do you know your healing / prayers have worked? To that my answer is: how do you know they have not? Is there a tangible way of measuring the success of healing / prayers? All I know and believe is what the grand old English poet **Lord Tennyson** said a long time ago: **'More things are wrought by PRAYER than this world dreams of!'**

Take care, and be Blessed,

Kamal Tolia
